### FILE REQUIREMENTS

Files should be created in the appropriate size as indicated below. Fees will be incurred for files that we have to modify or recreate.

Press-optimized PDF File Format is preferred (PDF/X-4:2008), you may include bleed marks but please **DO NOT include crop marks in your file.**

Ads should be designed and saved at 100% size, CMYK color profile at 300 dpi.

The color of the on-screen proof and the printed materials will not be exact, there will be variation.

### IMAGE RESOLUTION

300 dpi is required for all image files. 72 dpi files are not acceptable; ad materials supplied with low-resolution images and/or graphics will be returned.

### COLOR PROFILE

AvidLifestyle is printed using 4-color process. Specify all colors in your ad as CMYK process colors.

### RICH BLACK PROFILE

Rather than using 100% black to make a black background, use the formula 75% cyan, 68% magenta, 67% yellow, and 90% black for a denser black.

*AvidLifestyle* is not responsible for errors that the advertiser fails to correct.
